British Columbia (UBC), Vancouver (Canada)*

Student Services and the Social Dimension: Recommendations for Consideration

1. Improve business process for students
2. Student opportunity profiles for each university
3. Re-commit to 20/20 mobility goal and drive it very hard
4. Undertake a form of impact evaluation in every student services organization
5. Develop intentional partnerships with student services organizations beyond Europe
6. Model in our own activity the diversity and inclusion we seek for students
